March 5-7, 2010

Wilbur Baber Complex - Hallettsville, TX - 15 miles south of I-10 on Hwy 77

## **Richest Hog Hunting Tournament in the Nation!!**

With over \$3,000.00 in cash and prizes, including handmade trophy belt buckles, going to the winning team. It is also the largest production of charitable meat in the WORLD!! All meat brought into this tournament during contest hours is donated to charities such as Hunter's Harvest to be disbursed amongst their missions that feed hungry Texans. This hunting tournament both feeds the hungry AND helps Texas farmers, ranchers, and natural habitation by removing hundreds of nuisance feral hogs from the countryside. With your help, TDHA can achieve their 30,000 lb. goal. All meat donations will be accepted, whether or not you are competing, as long as it is in edible condition when donated.
